You know life is getting shorter and shorter, seems only like last week that I paid the second half of my taxes and here it is again unsecured business tax staring me in the face, and must be paid by August 10, just like a Little Old Lady from Pasadena . . .

— CT —

She kept a parrot which was always swearing. She stood it through the week, but on Sundays she kept the bird quiet by placing a cover over the cage. One Monday afternoon, seeing the minister coming up the sidewalk, she again slipped the cover over the cage, and just as the dominie stepped into the parlor the parrot screached out: "This has sure been a damned short week . . . And that is the way things seem to be going for me lately.

I asked our Chief of Police, Tom Kendra, the other day what was the best thing to get as a gift for a man who has everything . . . . quick reply . . . "A burglar alarm." How true, how true, specially so with the ever mounting burglaries in and out of the area.

— CT —

Of course another announcement that you should be watching for is the "Weed Abatement" program; it is about ready to be launched. And all we have to do is remind you of the severe brush fires that we had last year, and with "no weeds," no brush fires. Remember this year's close call in the Liliano area. We have enough problems without a burnoff, so let's all get busy with the bushes.

— CT —

Course thinking about weeds and bushes makes me think of Firefighters and here is a story that happened to one of our young firefighters and we will call him Fred Guibara, but before the story I must tell you that one of our engines carries 500 gallons of water, well one of our old time engineers pulled up to a fire hydrant and briefed the young firefighter, who was up on top of the rig, on how to put the water into the tank.

— CT —

Somehow during the filling of the tank the young firefighter's foot slipped and he stepped right into the tank which was half full of water . . .

As he floundered around in the water, the older engineer watched him with a jaundiced eye. "Just fill the tank with water sonny," he drawled. "Absolutely no need to stamp the stuff down" . . . course, how is one to know those things.

— CT —

Well, it's budget time in the old town again. It's real interesting, I think this is about my 41st budget that I have seen start out from the City Administrator, and end up a reasonable facsimile thereof, but oh brother, the hassle in between. Of course it's only money, yours and mine, but do they ever have a time spending it! almost makes you want them to have it to watch the fun.

— CT —

Almost reminds me of a midwest farmer that was visiting his son's college and was watching the students in a chemistry class. After a while he asked one of the students as to what the class was doing and was told that they were looking for a universal solvent.

— CT —

And the farmer being a kinda dumb farmer from the midwest asked "What's that" and the student very indignantly said, "A liquid that will dissolve anything." "Oh, a great idea," said the farmer. "And when you find it, what are you going to keep it in?"

— CT —

Just like the teacher who was talking to her class about the dolphin and its habits. "And children," she said, impressively, "Just think! A single dolphin will have as many as 2,000 baby dolphins." "Goodness," exclaimed the little girl at the foot of the class, "and how

Sierra Madre Ready To Move At All Times

'FIRE DANGER TRIPLES FOR BRUSH AREA' -- CHIEF BROWN

The 1972 fire season is well underway in a year of record breaking low total rainfall in the city of Sierra Madre.

The early fire danger has many firefighters and brush area residents worried this may be the year for another fire like the Bel Air disaster of 1961.

That conflagration destroyed more than 6,090 acres of valuable watershed and burned 484 homes and 21 other buildings. Fanned by arid, 50-mile-an-hour Santa Ana winds, it raged three days before the full effort of the Los Angeles Fire Department finally brought it under control.

In a recent interview Fire Chief Charles Brown termed the prospect of another Bel Air "possible, but not probable . . . I think the probability today is much less than when the Bel Air fire occurred."

Enlarging County helicopter fleet from one to five choppers and instituting the "double brush response" are reasons he gives for his estimate of less danger. The response system dispatches concentrated firefighting power in the first crucial minutes of a brush fire. "This," said Brown, "has done more than any other single thing to cut the size of brush fires down."

But critics of fire department cutback in LAFD, County and area, worry about what could happen if a brush fire isn't controlled in its early stages. They point to elimination of the mountain patrol, manpower cuts, morale problems and what they consider inadequate brush clearance and over reliance on helicopters and wonder if those departments are as strong as they once were. The new cutbacks they say will slow response time and reduce firefighting potential in a calamity like Bel Air.

Henri O'Bryant, a former member of the Los Angeles Fire Commission, said recently, "From the information I get from the men in the field, services have been cut back so much that we would not be in a position to cope as well as we did

25 Years As Priest Observed

The Passionist Fathers and Brothers of Holy Cross Province, and the priests of Immaculate Conception Parish in Norwood Park, Chicago, Illinois, have announced the Thanksgiving observance honoring the Silver Jubilee of Ordination to the priesthood for Father Keith Schiltz, C.P.

On Sunday, July 2, 1972, at Mater Dolorosa Retreat House, in Sierra Madre, Mass will be offered at 4 p.m. under the canopy of the Fiesta grounds. The priest, who arrived last Saturday, June 24, will say the Mass, himself. The festivities will be followed by a buffet-style dinner. Prior Thanksgiving observances were held June 18 in Chicago, and June 20 in Emergy, South Dakota, with the honoree as celebrant.

Father Keith, the son of the late Mr. and Mrs. William (nee Johanna Krier) Schiltz, who was the contractor for the present monastery building and the for-

George Pappas Given Commission

George F. Pappas, son of Mr. and Mrs. Frank G. Pappas of 630 Oak Crest Drive, has been commissioned a second lieutenant upon completion of the U.S. Air Force Reserve Officers Training Corps program at the University of Maryland.

Lieutenant Pappas also received his B.A. degree in government.

He is a 1968 graduate of Richardson (Tex.) High School and also attended North Texas State University.

City Employees Receive Increase

Realizing that the "Cost of Living Index" is ever increasing, and that all employees salaries are adjusted to this index from time to time, the City Council, after many hours of study by the Personnel Committee, received the recommendation of this committee for study.

Realizing that the taxpayer must foot the bill, and the employees must meet their expenses, it was the decision of the Council that they would keep the employees as close to the area average and allowed an increase in salary of a low to some of 5 per cent plus some range increases. This was an increase in the operating funds of approximately $38,500 for the coming year.

City Purchases Gruber Property

The property to the rear of the present Sierra Madre Library was purchased by the City of Sierra Madre at a price of $41,500, with a payment by the city for an option to complete the deal by July 2, 1972. The City paid $5,000 for the option and the remaining price of the property at this time is $36,500.

Not having sufficient money to purchase the property, and the option coming due, the City Council, at its meeting of Tuesday, June 27, made the following decision based upon the recommen-

July 4th Schedule Of Events

This year's July Fourth festivities promise to be bigger and better than ever before, stated the Parks and Recreation director Steve Renfro. Beginning at 8 a.m. when the parade begins to line up, the day is full of special events and activities to delight the young and old.

The parade this year will include many of the old favorites from past parades. The VFW will lead the color guard and marching units, after that will come other groups which will include such groups as the Rose Float Association, the Baseball Association, Soccer League, and Girl Softball.

Other entries will include motorized units of antique cars, car clubs, Forest Service, Search and Rescue, and, of course, the Sierra Madre Volunteer Fire Department. Also expected are several

New Business Classification Made

At their regular meeting of Tuesday, June 27, the City Council concurred in a previous decision by the Planning Commission or a recommendation of a new Retail Sales Classification.

The new classification, nor at the present time in the code or identified for license purposes is titled Automobile and Marine Parts.

The Council aproved the recommendation and established the classification for business within the commercial zone.

Thomas Meredith Schwartz Passes, Ends Years of Service

THOMAS MEREDITH SCHWARTZ
. . . . Passes Suddenly

Death has robbed this community of one of its most cherished public servants, in the passing of City Treasurer Thomas Meredith Schwartz.

Tom, age 71, had made his home for many, many years at 287 E. Montecito, with his wife, Margaret A. Schwartz, and they established a bond with this community and its people that will be difficult to match anywhere. In his passing there has been created a void in this community that will be impossible to fill.

Mr. Schwartz first came to this community from Germantown, Penna., 62 years ago as a very young man and soon became active locally. Through the years, along with being a local merchant as owner and operator of Sierra Madre Hardware, up until a few years ago, Tom continued service to his community as a public servant.

He was first elected to the Sierra Madre City Council back in 1938 and served in that capacity until 1946. During that time he served two terms as mayor 1942 to 1943 and again from 1945 to 1946. In 1958 he served as Deputy City Treasurer until 1962 when he was elected to Treasurer, a post he held up until the time of his death.

Tom also served in the U.S. Navy from 1938 to 1946; was a member of the Sierra Madre Volunteer Fire Department for many years and was a Past Master of Sierra Madre Lodge No. 408, F. & A.M.

Those left to mourn the passing of Mr. Schwartz, in addition to his wife are a son, Thomas A. Schwartz of San Raphel; four brothers, William H. of Sierra Madre, Preston M. of Sacramento, Charlton R. of Fortuna, Samuel M. of Sierra Madre; two sisters, Linda M. Wright of Deeth, Nevada, and Sarah P. Lefevre of Engand. Also surviving are three grandchildren.

Funeral services were conducted last Friday, June 23, at 11 a.m. in Sierra Madre Congregational Church with Rev. Richard J. Anderson officiating. This was a memorial service and committal in Sierra Madre Cemetery was private.

Ripple Mortuary of Sierra Madre handled all arrangements.

Cal Poly State Honors Two Sierra Madreans

Almost 1,200 students who established outstanding academic records have been named to the dean's list for the 1971-72 winter quarter at California Polytechnic State University, San Luis Obispo.

The 1,196 men and women selected for the honor were among 11,540 students enrolled during the winter quarter in Cal Poly's seven major academic units.

They were recognized for attaining course grades placing them in the top 15 per cent of the students in their respective schools during the winter quarter which ended in March. All of the students on the dean's list must have been enrolled in a study program of 12 or more study units. Those from Sierra Madre honored were: Jon Philip Treder, a sophomore, 260 Rancho Road and Bradley W. Whitaker, a senior, 600 Auburn Ave.

Sierra Madreans At Convention

Harlan P. Thompson, manager- vice president of First Western Bank and Nick Curry, manager of Guarantee Savings and Loan, both of Sierra Madre Kiwanis Club, attended the 57th annual convention of Kiwanis International in Atlantic City, New Jersey. Approximately 16,000 people — Kiwanians and their families were on hand for the event. They represent some 270,000 Kiwanians in 5,900 clubs in the United States, Canada, Mexico, Europe, Central and South America, the Caribbean, the Far East and the Southwest Pacific area. This is the sixth time that Atlantic City has hosted the Kiwanis Convention.

New Dress For Ladies At Imperial

There's something about a uniform and the pert young ladies of the East Pasadena Office of the Imperial Savings and Loan Association are proudly wearing new colorful blue and green uniforms furnished by the Association's Executive Offices.

Attractive, fashion - designed dresses, skirts, vests, jackets, and blouses color coordinated in blue and green are nicely enhanced with matching scarfs and a gold chain belt. Those local residents visiting the office have remarked that the new attire fits well with the friendly decor of the office.

Branch Assistant Linda Johns and Tellers Esther Bell and Donna Captain have been given the privilege of wearing the new uniforms in various combinations to prevent a stereotyped presentation of sameness behind the teller counter, according to Creath B. Smiley, Assistant Vice President and Manager of the East Pasadena Office.

Smiley also pointed out that the office always has coffee and cookies available for customers and for the young people there's a free colorful balloon

Hilda Noble Relocated In Grant's Pass

Long - time residents of Sierra Madre will be happy to hear that Mrs. Hilda Noble now resides in the lovely Laurel Hill Nursing Home in Grants Pass, Oregon. She left her lifelong residence at 233 Ramona to live with her daughter's family in Oregon three years ago. Because of a broken hip suffered in a fall, she now resides at the convalescent home.

More recently Mrs. Noble had a surprise visit from Mrs. Norman Brooks of 270 North Grove Street and her brother Mr. Louie Osti of 375 North Auburn. Although their stay was brief, it included a nice visit with the Ray Sondergaard family. His wife, Nadine, is Hilda's daughter and their son, Ray, Jr., her only grandson. The Sondergaards were gracious hosts and enjoyed the visit from close family friends.

Sierra Madreans Clairbourn Grads

Graduation ceremonies were held Thursday, June 15, at Clairbourn School, 8400 Huntington Drive, San Gabriel, for a class of 12 ninth graders.

Mr. John Eric Beckstrom, president of the board of trustees, and Mr. Jack Taylor, headmaster, presented diplomas to: Lyndon Dale Baugh, Pasadena; Shawn Steven Fields, Altadena; Brian Gregory Hess, San Gabriel; Marc Leonard Lamphear, Pasadena; Mark David McIntyre, La Canada; Joseph Colin Mackness, Sierra Madre; Tamara Lea Perkins, Sierra Madre; Craig Leslie Rice, Altadena; Clark Milton Simmons, III, Altadena; Mark Douglas Watt, Pasadena; John Robert Webster, South San Gabriel; and Judith Anne Wellbaum of Temple City.

Mrs. Madora Holt, C.S.B., of Beverly Hills, spoke to the parents, faculty, guests, and graduates of "The Dynamic Intelligence of Little Things.' Mrs. Holt was introduced by the headmaster, Mr. Taylor.

The graduates presented their program, with a welcome address by Joe Mackness; pledge of allegiance to the flag by Lyndon

Sierra Madreans Graduate At UC

Caps, gowns, and massive commencement exercises have gone the way of McGuffey's Reader for undergraduates at the University of California, Santa Cruz.

While UCSC's 31 graduate students elected to wear the traditional mortar boards and receive their degrees in more customary ceremonies, individuality was the keynote for the 865 undergraduates in separate events at UCSC's six colleges.

Two Sierra Madreans received their degrees at Merril held on June 17. They were: Deborah Lynn Cooper, American Studies and Colleen Louise Simpson, Bilingual Education.

Neighbors

Recently, the St. Luke's Junior Auxiliary held its annual award ceremony at the hospital staff room. It was followed by mid-morning brunch. Debbie Wagner of this community received special recognition for loyal, faithful and valuable service voluntarily given. Debbie volunteered over 300 hours. The award given, being honored by the American Hospital Association, was presented by Mrs. Hennacey, director of all volunteers at St. Luke's Hospital.

Congratulations to Debbie! We are very proud of young people like her.

Cactus Carnival

A cactus carnival featuring "Succulents on Parade" will be held July 1-4, at the Los Angeles State and County Arboretum.

Exhibits will include 600 plants plus photographic exhibits from many foreign countries, according to William Lockwood of Pasadena, president of the Cactus and Succulent Society of America.

Everyone who attends will be eligible to participate in hourly drawings for door prizes of fine plants to be given away. Plants produced

Bethany Church Hears Jack King

Jack King, a missionary with Sports Ambassadors in baseball evangelisms, will speak at a special youth gathering at Bethany Church on Sunday, July 2, at 8 p.m. He will show slides of the Orient and South America and a 35-minute film, "Man to Man," the story of a young athlete who joins the Venture for Victory basketball team for a summer tour in the Orient.

King will also speak to the Adelphian Sunday School Class of young married couples at 9 a.m., and will also be sharing brief testimony at the evening service on the church patio at 7 p.m.

Venture for Victory is part of Sports Ambassadors, a division of Overseas Crusades. Sports Ambassadors assists athletic men and women to use their talents abroad and to present their faith in Jesus Christ. The organization began in 1952 at the invitation of Madame Chiang Kai-shek to come to her country with an Evangelistic Basketball Team.

Oversea Crusades seeks to stimulate the National Church for a nation-wide outreach for Christ in Taiwan, the Philippines, Vietnam, Singapore, Indoniesia, Brazil, Columbia, Mexico and Greece.

The public is invited to these services at Bethany Church, 93 N. Baldwin in Sierra Madre.

Clairbourn School Gradutes Sierra Madreans

Baugh, readings from the Bible and Science and Health With Key to the Scriptures, by Mary Baker Eddy, given by Brian Hess and Craig Rice; Tami Perkins and Marc Lamphear addressed the audience in behalf of the class of 1972. An outdoor clock was the class gift to the school, presented by Mark McIntyre. Music for the occasion was arranged by Mrs. Pearl Northcott.

Awards to students in all grades were made on Wednesday, June 14.

Lee Brunner, Pasadena; Robert Webster, South San Gabriel; and Tamara Perkins of Sierra Madre, were presented with most valuable A player awards. Receiving most valuable B-player awards were: Cindy Fischer of San Marino; Christi Oster of Monrovia; and Heather Thayer of Sierra Madre. Boys who received most valuable B-player awards were: Raney Kirkle of San Marino, and Steve Robin of Altadena.

Oratorical contest awards were made to Ian Blair, Pasadena; Mrs. Northcott was given a thank-you bouquet to Diedra Gollatz from the cheerleaders. Music awards went to Ian Blair for band; Jodie Thomson of South San Gabriel for sixth grade; Cathy Fischer of San Marino and Susan Stahmer of South Gate for song flute; and Susan Strong of South Pasadena, for baton.

Garden Reception By Republicans

The Pasadena Republican Club president, Sheldon Pessin, today announced a garden reception honoring retiring Congressman H. Allen Smith and his wife, Elizabeth. The affair will be held at the home of Dr. and Mrs. Ulric Bray, 1660 La Vista Place, Pasadena, on Saturday, July 15, from four to seven o'clock in the evening. Congressman Smith will be retiring after having served 16 years as a representative of the 20th District.

Hundreds of his friends and well-wishers will gather in the colorful gardens of the Bray's English manor house to honor the Smiths at an Auld Lang Syne party, and to pay respects for his outstanding contributions to our country. The reception is open to the public. Reservations may be secured by writing the Republican Headquarters, 104 South Los Robles, Pasadena 91101, or by calling 793-2018 or 795-2031, the Republican Club office.

Mrs. Pauline Richter, daughter of Don and Nina Schindler of Sierra Madre, has completed plans to spend the month of July on a motor tour of Scotland, homeland of ancestors, the clan Campbell of Argyll.

She will start her tour at Ayr and follow the west and north coasts around to Inverness, with stops of from one to four nights in each of a dozen small villages.

The highlight of her trip will be a visit to Invarary Castle, present home of Ian Douglas Campbell, 11th Duke of Argll, (a distant relative to be found on the Schindler family tree).

Local Boy Receives Appointment

young man who has constantly and consistently won honors for himself, and now leaves for another phase of his young career, taking with him all the promise of an inspiring background of achievements.

Mike's total list of accomplishments is too long to list here, but includes a wide spectrum of interests. He managed to meet all the requirements and became an Eagle Scout at the unusual age of 12. He has continued with Scout work serving with a service organization, the Order of the Arrow.

He has won: Distinguished Speaking Awards for Superiority in Humorous interpretation and Original Oratory; won second place at the Excalibur International Speech contest in the Bahamas in 1971, and has served with distinction as president of the National Forensic League.

He has been involved in community affairs, one of which has been the local public library, working there as a page as well as working with the Summer Reading Club, and discovering an interest in dramatics.

Serving as a manager and trainer for the football team; working as an editor for the Pasadena High School paper; membership in the associated student body where he also served as vice president, as well as a delegate to Boys' State in Sacramento, were some of the many ways he participated in school activities. The spring he won the outstanding Student Award given by Mutual Savings before graduating with honors.

He was an excellent student in the Sunday school, contributing to the exercises, and while serving on the Youth Committee of the Church, provided leadership for his fellow students.

Now Mike leaves Sierra Madre, but carries with him the warm best wishes of the community.

Summer Schedule Eaton Golf Ladies

Eaton Canyon Women's Golf Club summer schedule began with a nine hole tourney of irons only, low net and one-half handicap. Ann Kessler won A flight with a 34½ followed by Irene Davidson at 35½. Jeanne MacDonaugh and Nicky Riordan tied for third with Jeanne winning on match of cards. B flight was captured by Gretchen Mikolyczyk with 35. Fran Wall was second with 36½ followed by Marilyn Holt at 38½.

Anita Foster won flight C with a fine game and low net of the day at 32. Zoli Alexander and Mary Garrick followed with 33½ and 34 respectively. Sue Virgin took D flight with 34 with Shirley Bouquet next with 34½ and Gwen Christensen with 38.

Wine Tasting For Beta Sigma Phi

Rho Chapter, Beta Sigma Phi will hold an outdoor International Wine Tasting Party on July 1st at the Altadena home of Mrs. James Mattiazzi, co-hostess will be Mrs. James Innis of this community.

Theme "It's a Small World" will be carried out by wines and hors d'oeuvres served from six different countries. Also to highlight the evening members are asked to dress in costume of their favorite country. Tables will be decorated according to the country which they represent.

You and Your Neighbors

Clinic hours have again been expanded for the free cancer testing programs at the Henson Memorial Cancer Center, West Los Angeles, and at the Venice Community Medical Center. Both facilities are sponsored by the non-profit Century City Doctors Foundation.

Certainly hope that by this writing, Julian La Lone is feeling somewhat better. Heart problems sent him to the local Community Hospital on Saturday, June 17. It is expected that he will be confined there for another two or three weeks. Wife, Dottie suggested that friends and acquaintances drop Julian a note of cheer as she knows he will appreciate the thought very much We add our best wishes for a speedy recovery . . . after all, summer time is no time to pick to spend in a hospital.

Gruber Property

dation of the Library Board that the property would be self-sustaining and bring in a profit:

To immediately offer for sale the Woman's Club and out of the proceeds from this sale make the purchase of the Gruber property for future Library expansion.

4th Extension

forstall tearing down the assumed delapidated buildings made a statement to the City Council and asked for an extension of three years before dismantling.

He stated that the property was purchased to build an office building that he was sure would be an asset to the community. The extension was asked for, and granted on the grounds of tight money. He was granted a "use permit" for three years on the promise that at the end of that time he would remove the present structures.

April 18, 1968, he again asked for a 3-year extension based on a vacant lot within the city, lack of need and the sales tax and permits lost by taking out the two business and that the office building was not needed at this time. He was granted a two year extension.

July 20, 1970, he again applied for a two year extension on the basis of coinciding with the General Plan, the state of the money market and the level of business acivity, continuing service of the business located in the present buildings and the eyesore in the event it was demanded that he remove the buildings. The Council granted two year extension.

Now, June 27, 1972, Mr. Burke again asked for a two-vear extension on removal of the buildings, and this time no reasons were listed. The City Council extended the life of the building only for six months.

Tax Rate Set For Year

With many hours spent by City Administrator Medley prior to presentation of the 1972-73 budget to the City Council, and then many hours of deletions of the budget between the City Council and the heads of the departments, the City Council adopted the final Program of Services for the City of Sierra Madre which starts on July 1, 1972.

Preliminary budget presented to the City Council in May showed a decrease in the tax rate, but did not take into consideration any increase in salary whatsoever.

With everything taken into consideration the new "Program of Services" was adopter with an increase in the Tax Rate of 4 cents, and the City Council should be highly complimented on their fine work of holding the line and giving us a good program. Final rate is subject to new assessor's valuations.

Senior Citizens Met Sat., June 24

The meeting of the Sierra Madre Senior Citizens Club was held Saturday, June 24, at the Park House. The meeting was called to order by President Gladys Tucker at 11:30 with 34 members present.

The members who had a birthday in May or June were escorted to the birthday table. Molly McKim was the chairman and the table was decorated with flowers. A gift was given to each one. Happy Birthday was sung and lunch followed.

President Gladys Tucker welcomed Cora Erb, and Kathryn Koonce, a member absent for some time.

The drawing of the door prize was held: first prize went to Lucille Pickett, second to Elizabeth Sullivan, and third to Kate Refshauge.

A reading was given, "How Old Are You?" and "A Felowship Smile." Minutes of the last meeting were read and approved. Lillian Graham gave the treasurer's report. Balance on hand is $70.74. A motion was made and seconded to accept the report and that all bills be paid.

Pearl Patterson, tour chairman, is collecting for the tour July 31st to the Ports of Call, tickets $3.75. The president thanked Helen Wheeler and Elizabeth Sullivan for serving the month of June. During the months of July and August, no beverages will be served. July 1st will be the picnic held at the Park House at 11:30. Each member is to bring a dish of food, his own plate, beverage, cup and silverware.

If you want a ticket for the reduced rate for citizens, ladies 62 and men 65; you will have to go to the Los Angeles County Department, 601 S. Kingsley Drive, Los Angeles.

The meeting was adjourned. Mr. Van Iersel called bingo, each winner received a can of peaches or jello.

New Members For Beta Sigma Phi

San Gabriel Valley Council of Beta Sigma Phi held a pedge ritual on June 20 at the Pasadena Hilton.

Rho Chapter is proud to welcome the following new members: Mrs. Gary Buckmaster, Alhambra; Mrs. Vernal Campbell, Pasadena; Mrs. William Roberts, Pasadena; Mrs. William Stewart, Alhambra, and Mrs. Melodye Wilbur, Arcadia.

Sirens To Blow Fri., June 30

The attack warning siren systems of the City and the County of Los Angeles will be sounded in the customary month-end test of the civil defense systems on Friday, June 30, at 10 a.m. Sheriff Peter J. Pitchess announced.

The test will consist of the sirens being sounded in the familiar undulating tone for one minute. Pitchess added that the sirens would be sounded in an undulating pattern fo three to five minutes in event of an actual enemy attack.

A New Tax Starts July 1

Starting July 1 motorists in California will have to pay a five per cent sales tax on the gasoline they purchase to propel their vehicles, contributing thereby $35 million in additional sales tax revenue to the cities and counties of the state.

The sales tax applies to the total selling price of retail sales of gasoline, including the 4 cent per gal the 7 cents per gallon state lon federal excise tax and motor vehicle fuel tax. In other words, if the price of a gallon of gasoline is 40 9/10 cents, including the 11 cents federal and state taxes, the 5 per cent sales tax on top of that posted price will bring the total to 42 9/10th cents per gallon. This is taxes charged on taxes!

Another Graduate From Cal Poly

Sisters of St. Francis of Rochester, Minn., have purchased the residence owned by Mrs. L. Jordan on Baldwin and Alegria avenues. They will use the property as a retreat for their aged sisters They will take possession the latter part of August and make it as attractive as possible

---

Dr. and Mrs. L. L. Krebs entertained with a delightful dancing party Saturday evening which was one of the leading social events of the season among the younger set. This spacious home was thrown open for the occasion and dancing was enjoyed on the polished floors of the entire lower story. The verandah was a bower of bamboo and pepper boughs, lighted with gay Japanese lanterns which cast a soft glow on the scene. Indian rugs were spread on the lawn, lanterns also being suspended from the banches of the trees. Punch and delectable refreshments were dispensed during the evening. Music for the dance was furnished by the Victrola and Pianola. The guests were: Mrs. Mary Davis Goodfellow, Misses Jean and Hazel Woodward, Katherine Mason, Dorothy Camp, Torance, Dorothy Humphries, McManus, Rice and Marjorie Rice, Dona Moses and the Misses Margaret, Stella and Saran Swope, Messrs. W. C. Davis, Louis Torrance, Victor Hill, Marshal Wright, J. McManus, Kenneth Ham, Charles Schwartz, Charles Camp, D. C. Ashmore, Raymond Andrews, Herbert Ingraham, Laurence Nourse, William Wright, Irving McDaniels, John Moses and Tom Miller.

A. N. Carter and two sons, Paul and Arthur, enjoyed a few days camping in the West Fork and Pine Flats during the past week.

Mrs. T. A. Graham has returned to her Sierra Madre home after spending several months at her home in Tennessee and other parts of the east.

One of the largest card parties of the season was the joint bridge whist and five hundred party given Mrs. Frank Wright at her residence on West Highland avenue Tuesday afternoon. There were eight tables in all. The large living room was artistically decorated in Shasta daisies, and the dining room was a mass of large pink roses. The hostess was assited by Mrs. W. E. Walker and Miss Hersa Lea. The prize for bridge whist was captured by Mrs. L. C. Torrance, while the five hundred prize was won by Mrs. B. H. Kuhn. After cards, elaborate refreshments were served.

Bigness of a Nickel — A nickel then was bigger than a million dollars now; A nickel then could buy a world of happiness, somehow; A nickel then was all a lad could sometimes hope to get, And, ah, how wide with human joy his little eyes were set! A nickel back in those old times was bigger than a mint; A nickel then was like a dream of riches, with its glint; A nickel then was all a child expected at the best, And, ah, how glad it made his heart beat in his little breast! A nickel then was bigger than a fortune seems these days; A nickel then could fill the mind with gancy's gilded maze; A nickel then could buy the earth, in childhood's dream at least, And, oh, that we could taste again that sense of childhood feast! — Baltimore Sun.

Dedicate A Monument To Trail Blazer — Marker On Mile-High Mt. Wilson Honors Pioneer Whose Name Peak Bears — Southern California's first official gesture of recognition for its "pioneer of pioneers," Benjamin D. Wilson, for whom Mount Wilson is named, was given Wednesday afternoon, June 22, with the unveiling of a granite marked on the peak by Alhambra - San Gabriel Chapter, Daughters of the American Revolution Ann W. Patton, granddaughter of the famous Yankee Don, assisted in the unveiling, and Marino Parks, historian and speaker with the Security - First National Bank, delivered the principal address at the mountaintop ceremonies. Luncheon at Mount Wilson Hotel preceded the unveiling. Erection of the marker was inspired, states Mrs. Graham, by an account of the colorful life of Wilson written by the late Laurance L. Hill, prominent writer known throughout the Southland. Wilson, according to Mr. Hill's account, was fully deserving of the title "pioneer of pioneers," in that "he did more to open up this region for American settlement than any other man of his time or since." Coming to California as a trapper, in 1841,

Delta Gamma Selects Prexy

Delta Gamma Fraternity has chosen Mrs. Gordon Gary of San Marino as the national president for the 1972-74 term. Election and installation took place this week at the fraternity's national centennial convention held at the Century Plaza in Los Angeles.

Mrs. Gary has been actively involved with many levels of Delta Gamma activities. As a member of the Delta Gamma Alumnae of Pasadena, she served as the committee chairman, corresponding secretary, recording secretary, and president from 1957-1959. She then became president of the Southern California Coordinating Committee (now Province XVII).

Concurrently with her alumnae offices she served the Alpha Nu Chapter at USC as rush advisor, pledge advisor, and eventually chairman of the advisory board.

She was then appointed province collegiate secretary and following that, elected to the Delta Gamma Fraternity Council as first vice president in charge of collegiates

Recently she has continued her activities with the local alumnae as first vice president and this year as second vice president and assistant chairman of the 1972 Centennial Convention.

Mrs. Gary has also found time to be active in such community affairs as the PTA, San Marino Community Council, Pasadena Committee of the Los Angeles Philharmonic, San Marino Garden Club, El Molino Viejo, and Church of Our Saviour in San Gabriel.

Her proud family includes husband Gordon Gary, telephone company executive, a son Richard, an attorney, and a married daughter, Susan.

QUESTIONS AND ANSWERS ON THE NEW FICTITIOUS NAME LAW

1. QUESTION: When does the new Fictitious Name Law take effect?

ANSWER: It took effect on July 1, 1971.

2. QUESTION: Who must file the required new statement of doing business under a fictitious name?

ANSWER: All individuals, partnerships and corporations which operate under names not their own must file. All old certificates expired June 30, 1971.

3. QUESTION: What is a Fictitous Firm Name?

ANSWER: One that does not include the surname of the operator, or one that implies the ownership participation of others such as Brothers, Sons, Associates, Company"; or if a corporation owner, a name different from that registered in the Articles of Incorporation.

4. QUESTION: What is the purpose of the fictitious name procedure?

ANSWER: The requirements have been in effect in California since 1872 and are designed to protect the consumer by enabling him to identify the person or persons with whom he is really dealing.

5. QUESTION: Must all firm presently doing business under fictitious names file new statements?

ANSWER: Yes, all must re-file under new code sections of the Business and Professions Code which replace those in the Civil Code: The new sections are 17900-17930 and also Sections 7540 and 10159.5 and Section 10522.5 of the Business and Professions Code, and Section 12300.2 of the Financial Code.

6. QUESTION: Must all firms doing business under a fictitious name publish at the time of filing?

ANSWER: County Clerk of Los Angeles County has ruled that effective July 1, 1971, all registrants under the new law must publish.

7. QUESTION: Precisely what is the process for publishing?

ANSWER: Publication must be made once a week for four weeks in a qualified newspaper circulating in the area of the affected business. Publication must be commenced within 30 days after filing. And proof of publication must be filed with the County Clerk within 30 days after completion of publication.

8. QUESTION: Is a filing of the new form since January 1, 1971, adequate?

ANSWER: Yes, filings under the new law have been accepted since January 1, to be effective July 1, 1971.

9. QUESTION: What is the penalty for failure to file and publish?

ANSWER: One penalty will be inability to maintain a court action until the law has been complied with. In addition, most banks demand evidence of filing and publication prior to opening an account under a fictitious firm name.

10. QUESTION: Where are the printed forms to be obtained for this filing and publication procedure?

ANSWER: Free forms and service are available at most newspaper offices or at any office of the County Clerk, or from California Newspaper Service Bureau, Inc., 210 South Spring Street, Los Angeles, California. Phone MA 5-2541.

11. QUESTION: What is the cost of filing and publishing?

ANSWER: Statutory filing fee for the new statement, inclusive of mandatory certification of a copy by the County Clerk, is $10.00. Publication charge for the four insertions of the notice is determined by the selected newspaper.

12. QUESTION: Can two or more fictitious name businesses operating under different names from the same address but owned by the same person or persons file and publish under a single statement?

ANSWER: Yes, provided two or more filing fees of $10.00 each are paid the County Clerk for multiple indexing, and provided that printer's proofs of publication are provided the County Clerk for filing with the original copies of the consolidated statement. Most newspapers will make an additional charge for each additional firm name.

13. QUESTION: Will a change in residence address of an individual or member of a general partnership doing business under a filed fictitious name make necessary a publication when filing is repeated at the end of each five year period?

ANSWER: Yes, publication will be required when re-filing is made at the end of each five year period if there has been any "change in information" which makes a new statement differ from the old one. If there have been no changes in the statement from one five year period to the next, no additional publication will be required. However, this issue cannot be raised until 1976 and the years thereafter.

14. QUESTION: Is it mandatory that a single style of printed form be used in filing and publishing of Fictitious Name Statements?

ANSWER: County Counsel of Los Angeles County has ruled that any form is acceptable provided it is of the 8½ by 11-inch dimensions prescribed by the State Judicial Council for forms, and provided it embraces all items specified in Section 17913 of the Business and Professions Code, and without regard to other material that may be printed on the forms for identification or informational purposes.

15. QUESTION: After July 1, 1971, will all new filings require pubication?

ANSWER: All new filings will require pubication until December 31, 1976. (Ruling of the County Clerk of Los Angeles County.)

16. QUESTION: What other values do registrants gain through publication of Fictitious Firm Names?

ANSWER: Evidential proof of priority is established in the event competitors later use or file under the same name. Also their is direct advertising value for the firm through publication four times in a local newspaper of substantial circuation of the name and address of the business, it being noted that newspapers frequently print such names in black face type in capital letters, spaced separately.

17. QUESTION: Where can I see the new law?

ANSWER: Most of the sections are quoted on printed form obtainable free from:

New Law in effect:

A prediction that 300,000 firms doing business in California under fictitious trade names will re-file under the new fictitious firm name law was made this week by William G. Sharp, county clerk of Los Angeles County. Sharp is chairman of a committee of county clerks which has been preparing procedures for the new statute.

The new requirement for re-filing of all firm names goes into effect July 1, 1971, but Sharp said the filings will be accepted by the county clerk's offices beginning Monday, and he urged early filing in order to avoid the rush just before the July 1 deadline. The filing fee under the new law will be $10. Filings must be renewed hereafter at five year intervals.

The Los Angeles county clerk also pointed out that the historic publication requirement has been continued under the new law and that publication of the statement once a week for four successive weeks in a newspaper of general circulation in the neighborhood of the affected business is required whenever there has been any change in the information contained in the certificate previously filed. Publication will not be required in instances where there has been no change in the information carried in the old certificate.

A fictitious name, Sharp pointed out, is one that does not include the surname of the operator or one that implies the existence of other owners; or, if a corporation, if it includes a name other than the name given in the articles of incorporation.

The purpose of the fictitious business name procedure is to protect the consumer in enabling him to find out the person with whom he is really dealing, Sharp said. If he has been defrauded by the "John Doe Television and Time Clock Repair Shop" and the shop is really owned and operated by "Richard Roe" or the "East Ganawanda Land and Farming Corporation," the consumer can find in the fictitious name statement information for bringing suit for damages. The procedure provides a ready source of information concerning identity realities obscured by fictitious business or trade names. Most banks now require evidence that the fictitious filing and publication requirements have been met before they will open an account under a fictitious name.

The office of each county clerk will furnish forms required by the new law or information and forms from this newspaper.

General Telephone Company of California prevented the destruction of aprecent ecological experiment proximately 1,360 trees in its to recycle telephone directories in the Pomona - Ontario region. The experiment thus far has prover more successful than originally anticipated, according to Rollo West, General Telephone service director. About 80 tons of 1971 telephone books were collected from customers . . . a response of 53 per cent in the Pomona region and about 60 per cent in the Ontario region. Original estimates were that less than 50 per cent would be collected.

A ton of recycled paper usually amounts to an average of 17 trees; hence the figure of 1,360 trees preserved.

Further study will be needed before a decision can be reached on whether General will attempt to recycle its directories on a company-wide basis.

The experimental project was held in the Pomona-Ontario region May 8-15 when new directories for 1972-73 were delivered. Communities included in the test were Alta Loma, Chino, Claremont, Cucamonga, Diamond Bar, Etiwanda, Guasti, La Verne, Montclair, Mt. Baldy, San Dimas, Upland and Walnut.

General's customers were requested to place old directories in front of their doors early on May 8 if they did not wish to be disturbed. Otherwise, the company's directory carrier, Product Development Corporation, rang doorbells in an attempt to pick up the old books.

A doorknob hanger was left at customers' homes informing them that 1971 directories could be taken to the Pomona and Ontario General Telephone business offices through May 17 should the attempt to collect old directors be unsuccessful.

The ecological test was the first of its kind with telephone directories in Southern California. The 1971 directors have been compressed into bales by Southern California Paper Fibres Corporation before they were forwarded to a nearby paper mill.

GOLF TRIP . . . . The greens at Altadena are in excellent shape. The rest of the course which is under drainage construction is something else. Year in and year out Eaton Canyon remains in as good a shape as any course in the area.

ALL THINGS CONSIDERED the number of injuries that occur during Nite Owl softball play at Brookside Park are at a minimum. The broken neck suffered by Mike Shelby of the Feather Merchants team was indeed unfortunate.

CAN YOU BELIEVE that Rod Dedeaux? His USC team won their seventh NCAA baseball title by whipping Arizona State twice. I know a few gents that picked up a couple of bucks making friendly wagers with Arizona State fans.

MOST FOLKS are feeling sorry for Jane Blalock, who has been suspended by the Ladies Professional Golf Assn. for cheating. Let's face it the girls play for pretty good sized bundle of cash. If Janey uses the good old "hand mashie" she should be bumped from the tour. There seems to be plenty of opponents who are willing to testify that she frequently moves her ball from divots etc., which is a no-no.

OLD HANKUS could write a book entitled "How to bet nine quarter-horse races on one card and lose them all." Los Alamitos is tough.

THE LOS ANGELES SHARKS continue to sign top-rated minor league players, but no "name" stars to date. When you get right down to it, if coach Terry Slater can field a winning team built around good young prospects who might have bounced around the minors before ever getting a real chance in the "bigs," he is far ahead of the game. One "name" star wouldn't necessarily provide a winner, but might mean more in box office appeal.

NOSTALGIA DEPT. . . . . Looking at an old photo of the 1950 Ives & Warren Softball team that won the class AA Nite Owl Softball league. There they were. Gordon "Bones" Shipman, Bob MacGowan, current Pasadena Police Chief Eric "The Red" Pyle, Clint Hufford, Tom Hamilton, Al Eickson, Bill Purviance, Mike Callas, Bill Eddy, Jay Martin, Bobby Weber and Old Hankus. A motley group coached by Howard Busnell.

CHARLEY FINLEY is now the first owner in the world to have a baseball, hockey and basketball team. What's next, football?

CREDIT DEL RRICE with a considerable amount of patience in the handling of young Lee Stanton. Put it this way, Stanton has contributed much more to the Angel attack than Jim Fregosi has to the Mets. Don Rose's pitching performance is a plus.

JIM RYUN is a bit on the "kooky" side as a miler these days. A good case of when you are hot-you're hot and when you're not you're not. Runs like a tiger one day and down the tubes another.

THE CONVENIENCE - TYPECAST match race was a dandy but I had trouble getting as enthused as the one way back in 1955 when Swaps and Nashua tangled in Chicago.

FIRST GRID GAME of the year is on tap for Saturday night in Lubbock, Tex. when the East - West All - Stars tangle in the Coaches' All-American tilt. Ron Mims and Martin Imhof, former PCC Lancers will be playing in the contest. Mims starred at Washington State and Imhof at San Diego State.

THE TEXAS RANGERS don't have much pitching but you have to give Ted Williams credit, he has the youngsters hitting and scoring. Worst baseball deal of the century must have been the Joe Coleman, Aurelio Rodriguez-Eddie Brinkman trade by Washington to Detroit for Denny McLain.

DARREL EVANS took a bad hop on his lip in a recent game and it required 12 stitches to close the wound. But Darrell is a tiger and remained in the game. He went to the hospital later.

he identified himself with its development for more than three decades, as rancher, citrus-grower, vineyardist, and a "father" of irrigation. He served as an early mayor of Los Angeles, State Senator, first Indian agent of Southern California, was co-founder of Wilmington and Pasadena, the founder of Alhambra, and built the trail from Sierra Madre to the top of Mt. Wilson over 65 years ago. He was the first American land owner of the present Riverside region, gave Big Bear Valley its name, was one time owner of Rancho San Jose de Buenos Ayres, now Westwood, where today the University of California at Los Angeles stands. On acres once part of his "Lake Vineyard" ranch, California Institute of Technology is situated. In 1864, seeking timber for wine casks and orange boxes, he blasted the trail to the mountain peak where today rises the world's greatest astonomical observatory, and which bears his distinguished name.

On July 14th the PTA will present a vaudeville show for the benefit of the unemployed and the Children's Milk Fund. The many features on the program will be a Western skit by Donald Thayer assisted by Mr. Jim Hawks and Robert Tarr. Other features on the program will be a burlesque by the Buchan brothers assisted by Mrs. Myrtle Hill at the piano. A short comedy by Mr. Hawks and cast entitled "Common Clay," will also be included. Many other interesting features will be announced later.

Fourth of July (Independence Day) is next Wednesday. It's a day when flags (Old Glory) should be displayed by everyone. It is hoped that within the next few months a tall, aluminum flagpole can be erected at the western apex of Kersting Triangle in downtown Sierra Madre. And from that flagpole in the center of this beautiful little Foothill City of Livability, the American flag will be displayed each day of the year from sunrise to sunset.

The Sierra Madre Concert Band, comprising 50 amateur and professional musicians has started its annual series of Summer Concerts under sponsorship of the City of Sierra Madre Department of Recreation. This year the concert schedule includes five regular bi-weekly concerts and the annual concert at the Los Angeles County Fair.

First day of summer vacation marked a near record for pool attendance as 689 persons made use of the fine Sierra Madre Community Pool at Sierra Vista Park.

A Patriotic Service July 2nd

It will be a patriotic service entitled "America, the Beautiful" on Sunday morning at 10 o'clock in the sanctuary of Faith Lutheran Church, 845 Hastings Ranch Drice. In the prospect of national Independence Day, the national anthem and other denowned patriotic songs will be sung. Pastor Armin Hesse's pulpit message will be entitled "God Bless America!" The public is invited to participate in the service.

At 9 on Sunday morning, the children, young people and adult classes of the Sunday School will view the film "The Faith of Yuan Tai," showing the difficulties which Christians encunter when they are denied the freedom of religion, one of our great national freedoms.

The Children's Vacation Bible School will conduct closing exercises tomorrow (Friday) morning from 10:15 to 11:30. Parents, brothers and sisters, and other relatives and friends of the pupils are invited to visit the classrooms, to enjoy refreshments, and to view a movie with the pupils and teachers.

"The Living Waters" Bible Study Group will meet next Thursday night at 8 in the Arcadia home of Mr. and Mrs. C. H. Goeppinger.

Bethany Church To Conduct Special Service

A special patriotic service is planned for Sunday morning, July 2, at Bethany Church, 93 N. Baldwin in Sierra Madre. The service will begin at 10:30 a.m. on this first day of the summer schedule.

The Chancel and Chapel choirs will sing with special brass accompaniment to celebrate Independence day in music, ending the service with "Battle Hymn of the Republic."

Pastor Robert Vander Zaag will speak at the evening Communion Service on Bethany's lovely patio at 7 p.m. Jack King, a missionary working with Overseas Sports Ambassadors in baseball evangelism will give a brief testimony.

Sunday school classes for all ages nursery through adult have been re-scheduled for the summer months for 9 a.m. The public is cordially invited to worship together with them each Sunday.

Dr. W. R. Parker As Guest Speaker

Dr. William R. Parker, noted author and lecturer, will be the guest speaker on Sunday, July 2 at the Santa Anita Church, 226 West Colorado Blvd., Arcadia. He has selected the timely subject, "Don't Destroy The Dream."

The church offers two identical services, 9:30 and 11 a.m. There is child care and junior church provided for both services. The Junior High School Youth Fellowship Group will portray the "Baptism of John" for the second in the summer series of "Walking With Jesus." Children are invited to wear play clothes and parents are asked to escort them to "Jesus Patio" (Barnhart School Patio) where the program will begin.

The youth department is offering a "Youth Employment Center" during the summer. You are asked to phone your requests in Tuesday, Thursday, or Friday from 1 to 4 o'clock in the afternoon — 446-8206, youth extension.

The High School Fellowship group meets on Sundays from 5 to 10; Junior High Group, Saturdays from 5 to 10; and 5th and 6th Grade Fellowship Group from 1 to 5 on Fridays. All young people are invited to participate in the exciting summer program, "Walking With Jesus" series. Highlights in Jesus' life will be dramatized for Sunday Junior Church. There will also be excursions, sports, and opportunities for service planned. The youth center is open from 1 to 4 o'clock on Tuesday, Thursday, and Friday for informal discussion, work and play. Steve Bass is youth leader, assisted by Winnie Baker.

Lesson-Sermon For Sun., July 2

All Christian Science churches throughout the world will include in their service this Sunday, July 2, this quotation from the Bible Exodus 6:3, "I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name Jehovah was I not known to them."

The First Readers will include this passage in the service from Science and Health with Key to the Scriptures, by Mary Baker Eddy: "As there is in reality but one God, one mind, wrong notion about God must have originated in a false supposition not in immortal Truth, and they are fading out."

All are welcomed cordially at First Church of Christ, Scientist, Sierra Madre, at their Sunday services which begin at 11 a.m.

Rev. Anderson To Talk About Our Dependence Day

"Dependence Day," will be the sermon topic of Pastor Richard J. Anderson this Sunday, at Sierra Madre Congregational Church.

Rev. Anderson says, "As we look forward to Fourth of July and the celebration of independence, I would like to suggest for the Christian that every day become a dependence day.

Look at the coins in your pocket. Our money has the inscription, 'In God We Trust.' Dependence upon God is the foundation for all good living, whether it be for each of us as individuals, or for the mass of society as a whole.

"Learning to depend upon God is the great lesson of life. We must learn to depend upon God like we learn to depend upon a faithful timepiece, a trusted watch, a dependable clock. The wristwatch I wear is undependable in terms of accurate time. I like it though because it always runs fast and if I go by it, I'm always a little ahead of time for my appointments. But then there can come times of confusion when I don't know exactly what time it is. I can't always trust my watch to tell me the truth. I can't always trust my watch to tell me the right time of day. And there's a sense in which my watch is not dependable. In fact, recently instead of gaining three minutes a day, it started gaining ten minutes a day, and it really threw me off."

In concluding his remarks Rev. Anderson says, "Now God is not like my wristwatch. He is utterly dependable, completely consistent. You can always depend upon Him, lean upon Him and trust Him. If you haven't learned to trust in God as being absolutely dependable, then start today and learn what peace can come into your mind as you lean upon Him."

Dr. Armin Sarafian Given Commendation

The City Council at its regular meeting of Tuesday, June 20, recognizing the outstanding effort on the part of Dr. Armen Sarafian, president of PCC, passed Resolution No. 72-41 complimenting him for his efforts on behalf of the Parks and Recreation Department, Sierra Madre Community Nursery School and the residents and young adults of the district.

The Resolution said in part: "Dr. Armen Sarafian has been the creative force behind the innovations and dedication to the propositions that education is a lifelong process by which man develops intellectual, emotional and aesthetic capacities, moral and spiritual values and a sense of responsibility."

Further it gave outstanding commendations to him for educational leadership. Dr. Sarafian was present to receive the Resolution from Mayor Ralph R. Rule.

John Ellis Receives Degree

Sierra Madre resident John Kenrick Ellis received an M.A. degree in Library Science from Immaculate Heart College in Los Angeles, Saturday, June 10.

The college conferred 90 Bachelor of Arts degrees, 2 Bachelor of Music degrees, and 44 Master of Arts degrees at its 46th annual commencement held on the upper level of the hilltop campus overlooking Los Angeles.

Mr. Ellis resides at 500 E. Montecito Ave.

25 Years As Priest Obeserved

mer St. Rita's Church building, was born in Emergy, South Dakota on December 17, 1920. he family moved to Sierra Madre on January 15, 1924 shortly after Father Keith's third birthday, taking up residency at 67 E. Highland, which is still the family home.

"Boyhood dreams of long ago" were fulfilled by the pronouncement of the words, "thou art a priest forever" by the power and lips of Archbishop John D. Floersch, D.D., in the Cathedral of the Assumption in Louisville, Ky This climaxed the years of preparation which started in St. Rita's School in Sierra Madre, four years of high school, and two years of College at the Prep. in Normandy, Mo. The format year of Novitiate in St. Paul, Kansas, ended with the promise of vows on July 16, 1941. The Sacred Sciences were completed in Philosophy at Detroit, and Theology in Chicago and Louisville.

After ordination, June 28, 1947, in Kentucky, life as a priest was spent in preaching assignments originating from various Passionist Monastery locations — one year in Louisville; two years in Chicago; four years in Des Moines; two years in Houston; Sierra Madre for seven years; a year each on Laymen's Retreats in Warrenton, Cincinnati, and Citrus Heights, Calif; back to Sierra Madre for two years; and finally four years in Immaculate Conception Parish as associate pastor, Father Keith's present assignment.

Among those immediate family members who will be attending the Sierra Madre observance will be Father Keith's sisters and their families, Mr. and Mrs. Donald C. (Marie) Warfel, Mr. and Mrs. Ralph (Nita) Twedell and Miss Mary Rita Schlitz, all of Sierra Madre. Enroute to his boyhood home, Father Keith stopped and visited with his sister and her family, Mr. and Mrs. Joe (Mercedes) Mayer, who reside in Colorado.

Of this happy day of commemoration, Father Keith says: "May God bless all who have been responsible — my dearly loved parents and grandparents, who were such divine instruments in forging my life. I commend my sisters and their families for their assistance who, through prayer and sacrifice, have led me to God's altar. And thanks to the many happy and healthy friends who have been a source of strength and courage through the years . . . all who have made this Day of Jubilee a REALITY."

MOUNTAIN PINOT NOIR
Napa Valley
4/5 QUART
$5.50
This fine, full-bodied, dry red wine is made from grapes of the celebrated Pinot Noir variety, grown within Napa and Sonoma Counties in California. Delicate yet possessing the authority which the true Pinot grape imparts, it is at its best with red meat, roasts, steaks, game or cheese. It should be served at room temperature or, in hot weather, at cellar temperature if desired.
The yield per acre from Pinot Noir grapes is very low, and a genuine Piot is never inexpensive. Essentially the Pinot Noir is a cool country grape, and a few small plantings that exist in this country are in the North Coast Counties of California.
The vineyards from which this wine comes are located in the district north of San Francisco, which has been recognized, for nearly a century, as one of the best of this country, for the production of both red and white table wines.

Young Son of Mark Bascoms Laid To Rest

Young Mark Wesley Bascom passed away Tuesday, June 13 in Waynesville, Missouri (Ft. Leonard Wood). The eight year old former Sierra Madrean was a victim of accidental drowning just a month prior to his ninth birthday. An elementary school student, Mark was also a member of Cub Scout Pack 145, Den 3 at Ft. Leonard Wood, Mo. He was the son of Mr. and Mrs. Mark F. Bascom. Mrs. Bascom is the former Vera Sandra Penland.

In addition to his parents, Mark leaves to mourn his passing, a younger brother and sister, Thomas Edward Bascom and Ginger Lee Bascom; a maternal grandmother, Mrs. Lovenia Penland of Pasadena; a paternal grandfather, Mr. Roy F. Bascom of Duarte; and a paternal grandmother, Mrs. Ethel A Bristow of Baldwin Park.

Services were conducted in the chapel at Ripple Mortuary on Monday, June 19 at 1 p.m. The Rev. William Hann of the Intercommunity Baptist Church in Baldwin Park officiated. Interment was at Live Oak Cemetery in Monrovia.

Rosary Held For Emma Wysocki

Rosary was recited Tuesday evening, June 20, for Emma E. Wysocki, who passed away June 18 at Santa Teresita Manor in Duarte. Funeral mass was held at 9 a.m. on Wednesday, June 21 at St. Rita's Catholic Church. The Rev. Father Thomas J. O'Malley officiated at both services.

Mrs. Wysocki, age 85, resided at 260 Churchill Glen and had been a resident of our city for 24 years, and a resident of California for 50 years, having originally come from Illinois. She was the widow of the late John Joseph Wysocki who passed away earlier this year on April 2

Survivors include two nieces, Teresa Bloss of St. Louis, Mo., and Mrs. A. H. Becker of Stuttgart, Ark.

Entombment was at Calvary Cemetery in Los Angeles. Ripple Mortuary in Sierra Madre was in charge of all arrangements.

School Board Report

by Frank A. Fleck

Last week's school board meeting featured a pathetic human drama and witnessed another triumph of totalitarianism over freedom.

A group of parents in an isolated (southeast) corner of our school district petitioned to join the Temple City Unified School District. Their 194 kids are currently being bused to Lincoln School, over ten miles to the northwest. On the other hand, the closest Temple City elementary school is about three blocks away. Their proposal just made plain old American common sense. They had obtained signatures from over 50 per cent of the voters in the area and they had secured the approval of the Temple City school board (5-0).

All they needed was Pasadena's approval.

Trustee Henry Marcheschi made a magnificent summary of the human rights and freedoms that must be guarded by public officials. He said that if parents cannot exercise freedom of choice over where their children attend school, then the incentives for educators to excel will gradually be eroded. Obviously, he was right.

You Sierra Madreans know how the vote turned out. It was 4-1 against these honest and concerned parents. As usual, the four hypocritical liberals voted against freedom and Marcheschi voted for it.

Trustee Mrs. La Motte said: "Parents have never had freedom of choice. Why should we give it to them now?"

School Board President Lowe added insult to the injury suffered by these humiliated and bewildered parents. As they were dejectedly walking out, he brightly said, "But be sure to come back and share your concerns with us at any time." He stopped just short of waving his pinkies at them.

Tragedy was relieved by comedy. As part of the budget hearings, one group of administrators (principals, etc.), purporting to represent all of them, recommended that personnel cuts be replaced by reduced basic salaries. Then another group of these geniuses got up and said that they had never heard of the proposal!!! The matter was debated for one hour and a half! These intellectuals are in charge of educating your children!

Actually, this charade was part of the BASIC PLOT. The BASIC PLOT is to keep the school board's attention occupied with trivia so that the question of EDUCATION never comes up. Your reporter has covered school board meetings for over six years and can count on the fingers of one hand the times that the actual educational process (or lack of it) was discussed.

In truth, school board meetings are rather dull. For every readable gem that is reported in the papers, there are thousands of dreary, pointless words. When the board notices that the audience is drowsing, it indulges in a little slapstick. This week was a classic:

Sheats (pronounced SHEETS): "The additional information you have given me has not clarified the issue but has further confused me."

Lowe (pronounced like in district-wide test scores): "I think we are talking about two different things, Sam."

Sam Sheats: "You may be talking about two things. I am talking about one thing."

Both of them could have fooled your reporter. I couldn't figure out how many things EITHER of them was talking about.

Harriet Le Vique Laid To Rest

Rosary was recited on Friday, June 23, at the hour of 8:30 p.m. for Harriet Audrey Le Vique, age 71, of 355 No. Grove St., housewife, who passed away on Wednesday, June 21, at Santa Teresita Hospital, in Duarte, after a lengthy illness.

Mrs. Le Vique came to California 44 years ago from the State of New York and has been in Sierra Madre since 1963. Mass was sung 8 a.m. in St. Rita's Church on Saturday at the hour of 8 a.m. in St. Rita's Church with Rev. Thomas J. O'Malley officiating. Interment was in Resurrection Cemetery in South San Gabriel.

Left to mourn her passing are three sons, Jean A. of Sierra Madre; Edward A. of San Pedro and Arthur J. of San Gabriel. Also nine grandchildren.

Supervisors Seek Freeway Speed-up

County Supervisors, on motion of Chairman Warren Dorn, today adopted a resolution requesting the California State Highway Commission to expedite the total construction of the Glendale Freeway from the Golden State Freeway to the Foothill Freeway.

Dorn pointed out that urban traffic in the foothill communities of Glendale, La Crescenta, Montrose, La Canada, Flindridge and Pasadena has increased to a point that it is imperative that the Glendale Freeway be completed at the earliest possible date to relieve traffic congestion on the existing local streets and state highways.

Pamper Your Personal Prosperity with Growth Vitamin $

Every drop of water, every bit of fertilizer that you put on a growing plant is returned to you in value . . . increased many times.

And every dollar spent at home instead of in some other community . . . promotes the growth and luxuriance of your own little personal prosperity tree.

We don't expect the neighbors to water and weed and fertilize our gardens so that we won't have to put out any effort on them. But a lot of us expect somebody else to do all of the trading at home that it takes to support and improve our jobs, our businesses, our schools and churches and other community helps to a richer life.

Trouble is . . . a lot of them are looking for us to keep the ball rolling while THEY go city-shopping.

Let's . . . every one of us . . . remember that loyalty to our home community is merely loyalty to our own economic welfare . . . that scattering our buying power leaves our own personal prosperity plant with less nourishment.

It Pays to Buy Where You Live

These firms are genuinely interested in the future of our Community and your welfare . . . patronize them

Community Restoration Project On Historic Home Continues Weekly

Civic leaders joined the work force at Sierra Madre's historic house where volunteers from local businesses, professions and community organizations are conducting a community restoration project under the leadership of the Sierra Madre Woman's Club and Civic Club.

Latest work crew to join the force was composed of Mayor Ralph Rule, Councilman Joseph Delgatto, Water District Director Ed Wagner, Planning Commissioner Peter Tarup, Police Chief Tom Kendra, Fire Marshal Richard Probart, First Western Bank Manager Harlan Thompson, Guarantee Savings & Loan Manager Nick Curry and Carl Cheadle.

Close to a hundred volunteers from throughout the community, from Boy Scouts to senior citizens, have participated to date in the restoration work at the noted house and garden, listed as one of Southern California's historically significant works of architecture. Many more have volunteered help for later phases of the project, such as exterior painting and planting of the grounds.

Joining the volunteer workers are numerous business and professional firms who have volunteered labor, material and help with the project. Newest additions to this list include Massie Roofing Company, Dunn & Edwards Paint Company, Gem Plumbing, Sierra Madre Hardware and Sierra Linoleum.

Other businesses who have given help include Yuren Realty, First Western Bank, Osti Brothers, The Highlander, Arnold's Hardware, Pantorium Cleaners, Foothill TV Cable and the Sierra Madre News.

Professional help being contributed to the project includes Franklin Howell, AIA; Evelyn Hassel, professional decorator; Lewis Watanabe, landscaping; Laury Pflieger, carpentry; E. S. Thornberry, flooring, and Erv Nichols, professional photographer.

The Woman's Club and Civic Club are conducting the project jointly as a General Federation of Women's Clubs Community Improvement Project.

Completion of the $42 million Los Angeles Convention and Exhibition Center on July 11, 1971, signaled to many area residents that the city was suddenly a part of the multi-milion dollar convention business.

The Pirates win the first games against the Cards 3-2. Rob Jacobs was the winning pitcher and has a season record of 7-1. Walling, Hanze and Dunbar had single for the Pirates. Kevin Dunbar had 8 strike-outs in three innings and Jacobs had 5 in three innings. The Cards were leading 2-0 when Casey Coates hit a two-run homerun for the Pirates to tie the score. The Pirates were only leading 3-2 when the Cards came to bat. However, Jacobs retired 3 batters in a row to save the narrow margin.

The Pirates also won the second game 3-2. Dunbar was the winning pitcher and also has a season record of 7-1. Levin, Denczek, Jacobs and Coates smashed singles and doubles for the Pirates. Aagain, the Pirates came from behind, this time to clutch the league title.

In the first game of the Yankees-Dodgers series, the Yankees won 16-9. John Nyberg was the winning pitcher. Dalte Kostur hit his first homerun of the year. Chris Carrol went 4 for 4 and Sheiby Segal hit his second single of the season, driving in 2 runs. Tony Abbadessa hit his second home run of the season.

The Yankees won the second game 9-8. The winning pitcher was Randy Young. Paul Majich hit his second homerun of the season to tie the game 8-8. Mike Holihan connected for his first hit and scored an important run.

The Athletics defeated the Royals both games this week to clinch first place in the league. Good pitching by Chuck Wilkinson and strong hitting by Moon, Schoeple and Melvin aided the A's to their victory over the Royals despite a homerun by Peter Murray. Chuck Wilkinson of the Athletics was the winning pitcher, earning his tenth victory of the season. The A's downed the Royals 21-2 with Frank Nyberg driving in the only two runs for the Royals.

Sly Chris Strople of the A's stole home four times. All of his teammates had good hits especially Steve Schocpke who smashed three doubles. The Tigers and Cubs split games. In the first meeting John Parker, the winning pitcher went 3 for 3, including a homerun. Greg Stevenson went 3 for 4 in contributing to the Tigers 5-3 victory. In a second close game the Cubs finally pulled through 14-13. Good hitting by all the Cubs counteracted many errors in the field.

Homeruns: Murray 3, M. Feierabond 2, Laior 1, Weinstein 1, Brolin 1, Parker 1.

Watson Asks For Extension Time

Los Angeles County Assessor Philip E. Watson recently urged immediate passage of Assembly Bill 567 which would extend the Homeowner Exemption filing period for mobilehome owners to August 15, instead of the normal April 15 deadline.

Pointing out his Department's recent decision to assess immobile mobilehomes for property taxes for the first time this year, Watson stressed the need for an extension of the deadline.

"Although our department launched an extremely successful campaign to get all mobilehome owners who may qualify for the $750 Homeowner Exemption to file before the regular April 15 closing date, we feel that circumstances warrant special legislative action to insure that no qualified person is denied," Watson said.

The proposed legislation sponsored by Assemblyman Larry Townsend and Joe Gonsalves, was recently approved by the Assembly Revenue and Taxation Committee and should go before the Assembly for approval shortly.

Under the proposed legislation, affidavits required for the Homeowner's property tax exemption for the 1972-73 tax year may be filed no later than 5 p.m. on August 15, 1972, if the exemption is being claimed applies to modular housing as defined in Section 575 of the Vehicle Code.

Fire Danger Triples For Brush Area

in 1961."

Don Wallace, president of the United Firefighters of Los Angeles City, charges, "We have 126 square miles of the fastest burning ground cover in the world. We cannot handle a fire that gets into that brush with the number of men currently on payroll."

Division Three Commander Chief Robert Radke, a Bel Air fire veteran with 30 years' experience in the brush area, disagrees, saying communications improvements, better training and equipment and the department's manning system make the LAFD "basically stronger now."

But he said he believes it is the physical factors — wind, temperature, fuel moisture and particulars of the fire location — which determine whether it will grow to Bel Air proportions. If Bel Air were to happen now, he said, "I would expect just about the same thing."

Less confident of the LAFD's strength and more certain of the prognosis is Warren Y. Kimball, a nationally recognized fire consultant who opposes the cuts. "If the great city of Los Angeles cannot afford to maintain its already barely adequate fire defenses, it will be a sad day; for disaster is almost certain to come with the next Santa Ana winds."

In contrast to other departments which are suffering cutbacks in personnel and servies, the situation in Sierra Madre is the reverse.

"In Sierra Madre," states Fire Chief Brown, " we are 24-hour ready for fast response to any area of emergency to which we are called. As far as I can recall our Volunteer Department is at its greatest strength, with a full compliment of officers, engineers and firefighters, equally situated for either daytime calls, night calls, early evening, or early morning. We have set up and fully maintain a full working crew each weekend, so that at no time is the City of Sierra Madre left short handed when it comes to the emergncy of fire."

Adding to his comments, he stated, "Our equipment is in first class condition and our men have received many hours of training on all phases of firefighting," and concluding he stated, "I am indeed proud of our dedicated men, they stand ready for any emergency to save life, property and promote the welfare of the community."

Mrs. Corp

chairman of auxiliaries of Crippled Children's Guild, was the installing chairman; and Mrs. Paul Barksdale d'Orr, founder of the Sierra Madre Auxiliary, was installing marshal.

On Mrs. Corp's new board will be Mrs. Verne W. Smith and Mrs. Joseph Sweeney, vice president; Mrs. Edward R. Brady and Mrs. Allen S. Tweddle, secretaries; Mrs. Robert H Takeuchi, treasurer; and Mrs. Nick Argy, parliamentarian.

Committee chairmen include Mrs. Michael Dalany, membership; Mrs. Robert D. Campbell, publicity; Mrs. Arthur Chase, social; Mrs. Alfred Richter, telephone; Mrs. William Hatchman.

Mrs. Roy W. Lindberg, this year's ways and means chairman, reported that over $6,000 will be turned over to Orthopaedic Hospital to purchase a resuscitation unit by the auxiliary.

New Use Proposed For Gas Tax

State Controller Hugh Flournoy today said he will sponsor legislation to give local governments authority to use their share of gas tax funds for highway beautification.

"Cities and counties should be given the same freedom as the state highway system in using gas tax funds to guard against visual pollution of their streets and roads," Flournoy declared.

The State Health Planning Council, at a meeting scheduled in Sacramento June 28, will launch a major financial assistance program for California's hospitals that is designed to function without cost to the state while assisting in holding down the rising cost of hospital care. The meeting will start at 10 a.m. in the auditorium at 744 P St.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—
millions leave them there!

—And where we'll stop, who can know?

We *do* have the best educational system in the world. But what will your child *think* and *want* and *demand* once we've educated him?

For in our system—unlike the Russian—we impart truth rather than ideas. We give our children the tools of thought, not the party line.

Does your child know that the center of all truth is God? Does he measure his aims by Christian standards of faith and morality? Has he learned where unbridled human passions of greed and power and selfishness can lead? Does he respect the religious faith and spiritual opportunities which motivated American Liberty?

Nobody can brainwash an American family. But it's up to each American family to choose every Sunday between the "around and around," and the center of truth—GOD.

THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Letters To the Editor . . .

Dear Editor:

The following is an open letter to the mayor and members of the council:

Mayor Rule and Members of the City Council:

The lack of positive action on the part of Mayor Rule and the members of the City Council, at the legally scheduled hearing on the Sierra Madre Specific Plan on June 13th, was most disturbing to the members of the Foothill Homeowners Council and other interested parties.

All concessions and considerations up to this time have been granted the group opposing the up-grading, improvement and preservation of the Canyon. The long range study by the Homeowners Council on the other hand has been completely ignored.

The Homeowners Council represents the people who own and reside on their property and who therefore feel a greater responsibility for the Canyon Community than the absentee landlord or renter. Typical of these who are not members who oppose the Homeowners Council safety measure for the Canyon.

The Homeowners Council representatives met with this group prior to the City Council meeting. This group (so-called F.A.A. ad hoc committee) consisted of Martin Cantor, draftsman of the protest, canyon renter and the author of a Canyon underground newspaper; David Shaklett, an absentee landlord for years; Owen Thomas, a "slum" landlord of eight or more Canyon dwellings; Mr. Melvin Goodsell, who refuses to accept any Canyon Plan; a young lady that also did not want a Canyon Plan at all; a nigh school student and three new faces in the Canyon. Except for Mr. Owen Thomas, who attended as a guest at the Beautification committee and the Mayor's Advisory Canyon Master Plan Committee Meeting, no others attended who were in the dissident group. Nothing was achieevd at this meeting because of the total disregard by this dissident group of the safety measures for the welfare of the whole Canyon.

Like so many other protest groups in the past, this dissident group will move away leaving the permanent homeowners with the dangers of the Canyon.

At the Canyon Plan Hearing, Fire Marshal Richard Probart stated that there is a serious fire problem in the Canyon and asked that our organization work with his department.

Mr. Peter Tarup, a member of the Foothill Areas Association, disavowed the so-called "ad hoc committee" in any way represented the Foothill Areas Association. is now only a paper organization, and was unable to group enough members to make a decision on the Canyon plan. The "so-called ad hoc group" presented their committee letter under deception to the City Council as F.A.A. members. Hence the City Council listen only to them knowing that this group was an illegitimate group.

As we have stated before, the Canyon Master Plan may well become a futile exercise if it does not provide adequate protection from fire in the Canyon.

We, Homeowners Council members and others, are deeply concerned. We can not compromise the safety of the homes and lives in the Canyon, and as we stated at the City Council meeting, we respect the judgment of the Professional Planners, Menard and Hill, over and above a transient group, and sincerely hope that there will be the acceptance of the Sierra Madre Canyon Specific Plan en toto at once.

Leonard C. Perry,
Chairman

Arla Markin of Arcadia Becomes New Chiropractor

Arla Markin, 2825 Larkfield, Arcadia, is among the 31 new doctors graduated from the Los Angeles College of Chiropractic in commencement exercises.

The local graduate has just completed two years of undergraduate studies and four years of chiropractic study at the American Chiropractic Association-accredited college.

Represented on the list of graduates are students from 31 states and four foreign countries. In preparation to earning his doctor degree, Dr. Markin took intensive studies in anatomy, biochemistry, pathology, neurology, x-ray, obstetrics, bacteriology and the other sciences related to the practice of chiropractic.

Established in 1911, Los Angeles College of Chiropractic meets academic requirements of the California State Board of Chiropractic Examiners.

County To Assist Veterans With Discharge Appeal

Returning veterans with a less than honorable discharge will be given special counseling and assistance in obtaining reviews and appeals of the status of their separation through a new program started by the County Department of Military and Veterans Affairs, Supervisor Chairman Warren Dorn announced today.

The program will work with one out of every 25 returning servicemen so affected.

Citing figures showing that in Los Angeles County alone, approimately 8500 individuals are affected by such discharges, Dorn told of serious problems these men face in not having an honorable discharge, often being deprived of all or a portion of their rights under the G.I. Bill, or having only limited employment opportunities.

Special appeal discharge boards established by each branch of the military service hear such cases. Assistance in preparing or filing appeals for review of individual cases by these board will be given by the County at Department of Military and Veterans Affairs offices at 15 North Euclid St., Pasadena; 1110 W. Avenue J in Lancaster on Fridays; and at 11035 San Fernando Road, Pacoima.

The county will also seek the assistance of organized veterans groups in an effort to resolve many of the problems, Dorn said.

Stephen M. McManus Recipient Of Imperial Savings' 'Outstanding' Award

Stephen M. McManus, a graduating senior of La Salle High School, has been named winner of the Outstanding Student Award in an annual program sponsored by the East Pasadena Office of the Imperial Savings & Loan Association in cooperation with the statewide California Savings and Loan League.

Stephen was presented a $100 cash award and an engraved medallion during graduation exercises by Creath B. Smiley, assistant vice president and manager of the East Pasadena Imperial Office.

Son of Mr. and Mrs. Thomas McManus of 2437 North Holliston, Pasadena, is a La Salle honor student with a 3.91 scholastic average, a member of the sohool's basketball and tennis teams, editor of the yearbook "Centurion," and plans to attend Occidental College in the fall.

Stephen was one of a group of outstanding students who were honored by the California Savings and Loan League at an Honors Banquet at the Biltmore Bowl in Los Angeles last month. He attended the banquet with his father; Brother Haig Charshaf, FSC, La Salle principal; and Smiley.

At the presentation ceremony, the Imperial Savings and Loan East Pasadena manager congratulated Stephen and said, "there's hope for you freshmen, sophomores, and juniors; for Imperial Savings hopes to sponsor this award next year at La Salle."

The La Salle award is a part of the savings and loan state-wide $75,000 student award program designed to encourage students to achieve high scholastic standing and to participate in extra-curricular activities which develop leadership. The plan of giving recognition to an outstanding senior in over 600 California high schools has been widely acclaimed by educators during its 15 years of operation. Awards are granted irrespective of other awards won by recipients.

THE FACES OF RUSSIA

An exciting documentary of the Soviet Union, today.

This unique essay was personally filmed and narrated by Senator Ellender on the last of his six visits to the U.S.S.R. It gives us our first view of the present day lives and moods of the Soviet people. Nothing seen on TV during the President's visit to Russia, equals the colorful and provocative perspective of this film.

The Senator visits such intriguing Russian cities as Riga, Leningrad, Rostov, Moscow, Vilna, and Minsk.

The film will be introduced by TelePrompTer's Chairman of the Board, Raymond Shafer, former Governor of Pennsylvania.

PROGRAM

Plans are now set for the Seventh Annual "Fourth of July Hometown Celebration" which is sponsored by the Sierra Madre Parks and Recreation Department and the Sierra Madre Chamber of Commerce. Activities on the Fourth will begin with a parade down Sierra Madre Boulevard, beginning at 10 a.m., with over 40 entries. All boys and girls are invited to decorate their bikes and to ride in the parade. The parade will begin at Sunnyside Avenue.

At 11:30 a.m booths will open at Sierra Vista Park. The booths will consist of exotic and unusual foods and many games. At 1:00 p.m. will be the all city swim meet. This meet is open to all boys and girls, ages 6 to 17, who are not presently competing on a competitive swim team. Ribbons will be awarded to first through sixth place. This activity will be conducted by the Sierra Madre Swim Team.

At 2:00 p.m., two activities will begin. The pools will open for recreational swimming and games and races. FREE public swim from 1:30 to 4:30.

5:30 p.m. — Talent show and Belly Dancing and Charleston Contest.

The final activity of the day will be a street dance for teens, ages 13 to 18, at Kersting Court. The dance will be held from 8:00 p.m. until 11 p.m.

Everyone is urged to stay home on the Fourth and to take part in this old fashioned Home Town Celebration.

For further information call the Recreation Department, 355-7135.

Editorially Speaking

The People Must Know

By Howard Jarvis
State Chairman, United Organizations of Taxpayers

Property owners are in for a tax raise of about 30 cents per $100 to pay for the $540 million new bonds voted June 6th. This debt, plus the interest is a new mortgage on all people's property. About two million voters failed to vote. How can those who vote higher taxes themselves expect elected officials to cut their taxes?

Well, we got one little one, proposition 7 will stop over assessment of homes in all residential zoned areas. Homeowners must now watch rezoning deals more than ever.

In Sacramento to testify for a bill, SB 1289, Roberti (D) to abolish the ridiculous restrictions on petition signers, including precinct numbers requirement, I dropped in to hear Republican minority leader Monagan and Democratic Assembly Speaker Moretti speech fight about tax reform this year. It was like Laugh In.

Both men agreed on one thing, there ain't going to be any tax reform. Neither party wants the other to get credit, especially in this election year, for any measure that might attract votes. There was some smoke but there wasn't any fire. Gypsauce.

I also looked in on the No Fault Insurance debate. I concluded that this idea is a monumental fake. (1) It will raise insurance costs, not reduce them, (2) it will lower payoffs to accident victims, (3) it will fatten profits for insurance companies, (4) it is a very bad deal for the public.

It is a complicated soak the people scheme but I can send the evidence to a limited number of people who send me a self-addressed, stamped envelope. First come, first served.

U.S. Senate President Mike Mansfield (D) said that in addition to the nuclear arms we will have under the SALT agreements if they are ratified by Congress, we will have 7,500 nuclear missiles already based in Europe under NATO, and this would give us parity with the Russians. I have not seen this statement printed anywhere.

SPECULATION. Could it be that President Nixon's secret plan for Vietnam is two fold (1) win a military victory using air and sea power plus the harbor blockades (2) force Hanoi to release our prisoners of war as the price for a cease fire action?

The BBC in England is saying that the bombing we are using now in Vietnam is destroying both the will and the power of Hanoi to resist, and the widespread belief of many that effective bombing increases the determination of the enemy to fight back is a delusion.

Surprise, Surprise

The wire srevices from Washington were humming a few days back:

"The Senate Finance Committee voted today to increase Social Security benefits by 10 per cent for 27 million Americans."

The pending bill also would:

". . . . extend Medicare coverage to include essential drugs.

". . . . increase payments to the aged, blind and disabled.

". . . . . revamp the nation's welfare system by forcing many relief recipients to go to work."

The dispatches went on to point out that the committee's recommendation wasn't expected to be warmly welcomed by the full Senate. Instead it was forecast the Social Security hike would be increased to 20 per cent.

While no doubt an action which will be welcomed by those who will benefit from the solons' largess, it seems strange that the Congress has been so slow in moving.

After all Election Day is only 4½ months away.

The Fuzzies!

The unlikely team of Nixon and Brezhnev have made a point that some people don't want to learn.

We have a small group of fuzzies who tremble at every word Moscow says. Some are communists. Others are tag-alongs who think Moscow would commit suicide in the name of ideology.

They're the one who did all the hand-wringing over Nixon's bombing and mining of North Vietnam. They thought the Russians would cancel the summit conference. That they would sacrifice their own interests for those of Hanoi.

History is the best proof that there's little chance of that happening. In the past, the Russians have leaned on us in Greece, Berlin, Cuba and Korea. Each time we leaned back and they retreated from the confrontation.

They retreated because they respect toughness and self-interest. That's the way they act and they understand it.

As long as we have the military strength and the will to use it, Moscow is not going to start World War III. It doesn't want a global war any more than we do.

The Nixon-Brezhnev summit was a success because it was in the gest interest of both countries. If it wasn't in the best interest of Hanoi, that's too bad.

It's time our group of tag-along fuzzies figured that out. The Sierra Madre News things Mr. Nixon has figured that out and knew his actions in North Vietnam wouldn't jeopardize the summit.

The result has been a double plus for America.

Dining Out 1984 Style

Who among us has not, at one time or another, been afflicted with an inflationary waistline? Fortunately, there are a myriad of diets, exercises, doctors, pills, machines, etc., so that we have a wide variety of choices when we need to shed a few pounds.

But we live in an electronic age. A team of Miami psychologists is now helping their patients to diet by attaching a portable electric "shocker" to their forks to discourage rapid eating. When you sit down to dine with one of these scientists, if you don't pause long enough between bites you get an electric jolt.

The psychologist sets a timed waiting interval for the patient, after observing his eating behavior. The patient is supposed to learn to fit in non-eating acts, such as sipping water, or speaking, between bites.

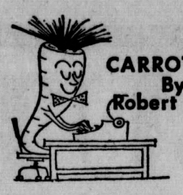

In case you thought you just figured out a way to beat the system — if you wait too long . . . ZAP!

This reminds me of a story about a Truck Driver and a big semi-tractor-trailer that was stuck along the highway. The driver with shovel and sweat was trying to dig it out, when a passing motorist leaned out his car window and shouted, "Stuck in the mud?" And the answer came back very abrupt . . . "No. I'm not stuck. My truck just died and I am attempting to bury it." . . . Some people do ask silly questions sometimes.

— CT —

"What am I to do with this?" grumbled the motorist as the police clerk handed him a receipt for his traffic- fine payment . . . . "Keep it," the clerk advised, "when you get four of them, you get a bicycle."

Just received all the word from Steve Renfro of the Parks and Recreation about the good old Home Town Fourth of July Celebration, and incidentally, do you realize that this is not far away, week from Tuesday is the day.

— CT —

Gee, how the year rolls around, here it is half gone, school is out and before you know it we will be sending our children back to school on horseback, no buses next year.

— CT —

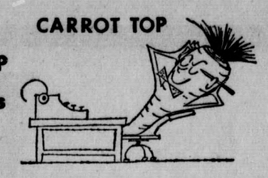

The big deal will start at 10:00 on Tuesday morning with a parade of over 40 entries, and will probably accumulate about Sunnyside. Give an hour or two, but anyway the food and game booths will open at Sierra Vista Park at 11:30.

— CT —

Now here you will have to have a quick lunch or carry it in your hand, because the all city swim meet will get underway at 1 and at 2 the pool will open for two activities, recreational swimming and games and races, with prizes to be awarded.

— CT —

The rest of the afternoon can be spent in playing

games, until the final part of the program which will be a teenage dance at Kersting Court from 8 until 11 p.m.

— CT —

This is going to be a humdinger of a day, especially with a good old-time parade.

Like the story I heard the other day that took place in one of our Bible Schools held during the past month . . . Seems that a teacher was desperately trying to bring law and order to the young assembly, and came forth with the following episode:

— CT —

"Now, children," she smiled sweetly, "I want you to be so still and quiet that all of us can hear a pin drop."

— CT —

After silence had reigned for an interminable 30 seconds, a child in the corner with an extra deep voice yelled, "Okay, let 'er drop!" . . . I'll bet that shook everyone up just a little bit.

— CT —

So, let us leave you with this thought, and it is a deep one, and one that each of you should ponder and consider . . .

— CT —

The modern American drinks Brazilian coffee from an English cup while sitting on Danish furniture after coming home from an Italian movie in his German made car. Then he picks up a Japanese ballpoint pen to write a letter to his congressman demanding that something be done about all the gold that's leaving this country . . . Don't wage, less ye be judged, I hope, I hope, I hope.

Sheet Music Soc. Meets Saturdays

The National Sheet Music Society meets the second Saturday of every month in the lecture hall of the main library in Pasadena. However, there are no meetings in July or August. Last year the group did meet socially for a July get-together at the home of Mr. and Mrs. A. H. Constantian in Sierra Madre and had such a good time that another social meeting is scheduled for this July.

There will be a business hour when old sheet music will be auctioned off and then there will be a short program based on the life and songs of Sir Harry Launder. Ann Howard will bring 15 or 20 pieces of Harry Lauder sheet music from her fabulous collection and Jim Constantian will play corresponding old 78 RPM records on the old horn-type Victrola.

In keeping with the old-time stuff, young Kathi Backus will give out with a few old "ragtime" numbers from the Scott Joplin - James Scott — Joe Lamb era. (Pre-World War I).

The meeting wil wind up by anyone wishing to vocalize to old player-piano rolls, to feel free to do so.

Letters To The Editor

Dear Editor:

The politicians are all working themselves into a frenzy about closing "so-called" loopholes, hoping to garner votes thereby. These "loopholes" are all there to encourage investment, expecially in hazardous business ventures; to create jobs and to increase prosperity for the country. They were only placed on the statute books after long consideration and debate by Congress.

The politicians really only want to get more money to spent, not save. The biggest, authentic "loophole" in the U.S. is the Congressional authority to spend more than the government takes in. This is deficit financing, and is the sole basic cause of inflation and the constantly increasing National Debt. The interest alone on this staggering National Debt is sufficient to skyrocket our taxes.

If any "loopholes" are to be closed tight, let's get together and plug up this Congressional Spendthrift Spending Spree "Loophole" before we all go bankrupt — you, I and the country!

High blood pressure may severely and permanently damage the kidney — kidney failure being the prime cause of death in a significant proportion of hypertensive patients says the Los Angeles County Heart Association.

Senior Citizens Resume Meetings

The meeting of the Senior Citizens Club of Sierra Madre was held June 17 at the Park House at 11:30 a.m.

After the usual procedures, the president welcomed home Lillian Herman who vacationed in Chicago, and Lena Yates, who has been ill.

After lunch Ann Plateil read the history of Flag Day and read a poem "Our Flag" which was very patriotic.

Minutes of the last meeting were read and approved. Treasurer's report was accepted and voted on.

Vivian Singleton is back in the Parkwood Convalescent Hospital.

Pearl Patterson reported on the trips. June 26, Balboat trip, $5.75; July 9, Alaska trip; July 10, Catalina, $9.50; July 31, Ports of Call, $3.75; August 1, Lake Tahoe, $49.50; August 28, 29 and 30, San Francisco. Pearl spoke about the advantages of being a member of the American Association of Retired Persons.

Lillian Graham gave the members the new address of the former club's vice president, Vivian Smith, 2900 W. 53rd St., Fairway, Kansas 66205.

The president, Gladys Tucker closed the meeting by reading "Desiderata," by Max Ehrmann. Cards followed.

Close rapport between dentist and physician is important — especially if the dentist plans to remove a tooth or perform other dental work on the heart patient. They physician may wish to change the dosage of medicine before a tooth is filled, says the Los Angeles County Heart Association.
